VERSE 1

So we've been away so long, we've got them stages
torn, and we back from
Breaking point, that spot still vacant boys? No room for
new-school kids,
Move bitch, that's ludicrous. Please excuse, the fumes
are thick, because
For our future a fuse was lit. Look how I'm super rich,
my fam, my new born
Kid, no mansions or supped up whips, that cash ain't
ruling shit, so as
That roulette spins, I gamble through these chips,
could hang on crucifix
To give thanks to the crew I'm with... now!

HOOK

When the rhythm breaks down, we gonna give 'em
praise, now when the rhythm
Breaks down we gonna give 'em praise, now when the
rhythm breaks down we
Gonna give 'em praise (we gone give 'em praise, we
gonne give 'em praise.
Now when the rhythm breaks down we gonna give 'em
praise, now when the
Rhythm breaks down we gonna give 'em praise, now
when the rhythm breaks
Down, when the rhythm breaks down.

VERSE 2

So we've been away so long, we've got them stages
torn, and we back from
Breaking point, that spot still vacant boys. You can see
our lane is taken
Now, see 'em stake it out like Danger-mouse, waiting
for the day that our
Flame is out, but I spit propane... Cremate the crowd.
Driven to destroy a
Nations doubt, I deliver like a boy on a paper route, but
my fam ain't
About for the paper count, they stay devout and face
all rounds, undercards
To major bouts, seen stars in rain clouds, recharged

waning powers, let's
Make em proud and take the crown... now!

HOOK

When the rhythm breaks down, we gonna give 'em
praise, now when the rhythm
Breaks down we gonna give 'em praise, now when the
rhythm breaks down we
Gonna give 'em praise (we gone give 'em praise, we
gonne give 'em praise.
Now when the rhythm breaks down we gonna give 'em
praise, now when the
Rhythm breaks down we gonna give 'em praise, now
when the rhythm breaks
Down, we gonna give 'em praise

BRIDGE

When the rhythm breaks down
