Alone in the dark, [incomprehensible] for the fish  
Waiting the sun to show it's fate  
Will this be my final day or has it already gone  
So then I just keep away into dreamland

Dark fields of pain are running  
Is it me whose wanted?  
Shadows of death are calling  
Am I, am I, am I dying?

Shoot me up with the smack  
Shoot me down with a bullet

It's all the same game  
I cannot hide from my needs  
My only Saviour is the rush  
It will keep my body from bleeding

Dark fields of pain are running  
Is it me whose wanted?  
Shadows of death are calling  
Am I, am I, am I dying?

Dark fields of pain are running  
Is it me whose wanted?  
Shadows of death are calling  
Am I, am I, am I dying?

Dark fields of pain are running  
Is it me whose wanted?  
Shadows of death are calling  
Am I, am I, am I dying?

Dark fields of pain are running  
Is it me whose wanted?  
Shadows of death are calling  
Am I, am I, am I dying?  
Am I dying?
