My dreams are always the same
I see you
Fear is my best friend
It keeps me alive
What is it I got
That triggers you
To follow me day and night?
I can smell your stench all around

I don't know what your demons are telling you
But it ain't me you're looking for

Why? (Why)
Why won't you leave me alone
(It drives me insane)
Why? (Why)
Why won't you just let me go
(Stay out of my way)

Never sleep with your enemies
They'll steal all that you got
Framed by the lust
You spin out of control

I don't know what your demons are telling you
But it ain't me you're looking for
(No, it ain't me your looking for)

Why? (Why)
Why won't you leave me alone
(It drives me insane)
Why? (Why)
Why won't you just let me go
(Stay out of my way) (2x)

Don't you mess with my head
What triggers you I don't understand
I don't understand

Why? (Why)
Why won't you leave me alone

(It drives me insane)
Why? (Why)
Why won't you just let me go
Stay out of my way (2x)

Stay out of my way
