I'm gonna ride on my addiction tide
Why don't you come and watch me die
Can't get enough, you know I never get enough
I'm gonna do it 'til I die

And every time, I throw my face against the wall
And just to know that I am alive
My mind is getting twisted and my body's getting numb
I have succeeded the ultimate rush

Leaving it all behind
I need my mind to spin me around

Pull me under
Suck me in, spit me out
Hold on tight, 'cause I am going down
I am what the drugs make me

I am doing time in my toasted mind
Crash and burn, I guess I never learn
Bring me down on my knees and drag me through the dirt
Got nowhere to hide

Leaving it all behind
I need the drugs to spin me around

Pull me under
Suck me in, spit me out
Hold on tight, 'cause I am going down
I am what the drugs make me

I fall over
Shut me up, throw me out
Hold on tight, 'cause I am going down
I let the drugs help me

I don't wanna be alone
I guess, I am not the only one

Leaving it all behind
I need the drugs to spin me around

Pull me under
Suck me in, spit me out
Hold on tight, 'cause I am going down
I am what the drugs make me

I fall over
Shut me up, throw me out
Hold on tight, 'cause I am going down
I let the drugs help me

Pull me under
Shut me up, spit me out
I fall over

Pull me under
Shut me up, spit me out
I fall over
