Waking up from this dream
Got a feeling that something is wrong
There's blood and dead body's everywhere
What the hell have I done?

Was I walking in my sleep or is it just a conspiracy?
All I know that I am in to deep

Save me
Please wake me up from this dream
Save me
How am I supposed to live?

I lost my family, lost my job and my friends
There's nothing left for me to live in this hell
All I remember is that we said goodnight
And now my life is a living hell

Save me
Please wake me up from this dream
Save me
How am I supposed to live?

Save me
Please wake me up from this dream
Save me
Where the hell did I go wrong?
Where did I go wrong?

I see the picture in my dreams
Will it ever stop haunting me?
Am I ever gonna be free?
I can't erase the memory

Save me
Please wake me up from this dream
Save me
How am I supposed to live?

Save me
Please wake me up from this dream
Save me

Where the hell did I go wrong?

Save me

Where did I go wrong?

Save me
