Pain, without love
Pain, I can't get enough
Pain, I like it rough
And I'd rather feel pain than nothing at all

Your sick of feeling numb
You're not the only
I'll take you by the hand
And I'll show you a world that you can understand
This life, is filled with hurt
When happiness, doesn't work
Trust me, and take my hand
When the lights go out you will understand
(yeah..ohh)

Pain, without love
Pain, I can't get enough
Pain, I like it rough
Cause' I'd rather feel pain than nothing at all

Pain, without love
Pain, I can't get enough
Pain, I like it rough
Cause' I'd rather feel pain than nothing at all

Anger and Agany, are better than misery
Trust me, I've got a plan
When the lights go off you will understand

Pain, without love
Pain, I can't get enough
Pain, I like it rough
Cause' I'd rather feel pain than nothing at all

Pain, without love
Pain, I can't get enough
Pain, I like it rough
Cause' I'd rather feel pain than nothing..
Wrather feel pain!!

Light up, Light up, Light up, Light up

I Know That you're wounded
Get up, Get up, Get up, Get up
And I'm here to save you
Get up, Get up, Get up, Get up
And I'm always here for you
Light up, Light up, Light up, Light up
Then she'll thank me later

Pain, without love
Pain, I can't get enough
Pain, I like it rough
Cause' I'd rather feel pain than nothing at all

Pain, without love
Pain, I can't get enough
Pain, I like it rough
Cause' I'd rather feel pain than nothing at all

Pain, without love
Pain, I can't get enough
Pain, I like it rough
Cause' I'd rather feel pain than nothing at all
Wrather feel pain than nothing at all
Wrather feel PAIN!!!
