I Went To The Park Today I Didn't Think I'd Feel The
Same About You As I Did The Other Day, But Then I
Started Thinkin' Of You.

It Was A Thought That I Didn't Say, The Top Story Of
Eleven And Ten O'clock News.

I Guess My Vision Is Gonna Start to Fade,
If I Don't Stop Thinking Of You. (Thinking Of You)

You're Cute But Crazy And It Makes Me Love You More
Cute But Crazy, When We Met I Hit The Floor
Cute But Crazy, It Makes For Such A Good Dispute
Cute But Crazy And You're Crazy But Cute

I Did, The Other Day, What I Said I'd Never Do To You.
It Was Hard But Needed To Be Saved, So I Started
Thinking Of You.

It Was A Short Charade; A Situation That Was Way More
Sticky Than Glue

If It Don't End Today, I Swear They're Gonna Be Blue.
(Gonna Be Blue)

Well Here I Come Again.

You're Cute But Crazy And It Makes Me Love You More
Cute But Crazy, When We Met I Hit The Floor
Cute But Crazy, It Makes For Such A Good Dispute
Cute But Crazy And You're Crazy But Cute

You're Cute But Crazy And It Makes Me Love You More
Cute But Crazy, When We Met I Hit The Floor
Cute But Crazy, It Makes For Such A Good Dispute
Cute But Crazy And You're Crazy But Cute

Cute But Crazy And It Makes Me Love You More
Cute But Crazy, When We Met I Hit The Floor
Cute But Crazy, It Makes For Such A Good Dispute
Cute But Crazy, And You're Crazy But Cute.
