Hey Girly, What Are You Doing All Alone?
No One Should Be Left Lonely On A Night Like This
Especially Someone Like You With Those Lips and
Those Eyes and That Hair.
You're A Real Beautiful; Which Makes Me Quite Scared.
If I Try Will You Care?
Grant Me One Kiss, You Won't Regret It I Swear.

Hey Girly, On A Night Like This There Should Be
Someone Like You For Someone Like Me To Kiss.
Hey Girly, On A Night Like This There Should Be
Someone Like You For Someone Like Me To Kiss.

Hey Girly, I've Dreaming About You Long,
Don't Worry I Swear This Won't Be Wrong.
I'm Nervous But I'm Nearing
Did I Miss My First Opening For My Move?
If I Stare, With The Touch Of Your Lips My Heart Will
Burst And Blare

Hey Girly, On A Night Like This There Should Be
Someone Like You For Someone Like Me To Kiss.
Hey Girly, On A Night Like This There Should Be
Someone Like You For Someone Like Me To Kiss.

Hey Girly, On A Night Like This There Should Be
Someone Like You For Someone Like Me To Kiss.
Hey Girly, On A Night Like This There Should Be
Someone Like You For Someone Like Me To Kiss.
