When I meant forever  
I thought we'd be  
Still coming up  
Into eternal misery  
And now it's too late  
I can't show you who I am  
Who I am

We'll dance in the moonlight  
Open our darkest scars  
Look into your eyes  
And tell you you're not alone  
Dance in the moonlight  
Open our darkest scars  
Look into your eyes  
And tell you you're not alone

And I can't show you who I am  
Who I am  
And I just want to show you

We'll dance in the moonlight  
Open our darkest scars  
Look into your eyes  
And tell you you're not alone  
Dance in the moonlight  
Open our darkest scars  
Look into your eyes  
And tell you you're not alone

And I would fall for you  
Fall for you  
And I would die for you  
Die for you  
And would fall for you  
Fall for you  
Die for you

We'll dance in the moonlight  
Open our darkest scars  
Look into your eyes  
And tell you...

We'll dance in the moonlight  
Open our darkest scars  
Look into your eyes  
And tell you you're not alone  
Dance in the moonlight  
Open our darkest scars  
Look into your eyes  
And tell you you're not alone  
Dance in the moonlight  
Tell you you're not alone  
We'll dance in the moonlight  
Tonight
