Get dressed up to stay at home
And we'll dance all night, till we can't move home
Then I'll push you away, I'll push you away
Get dressed up to stay at home
And we'll dance all night, till we can't move home
Then I'll push you away, I'll push you away

I'll turn my heart into an ocean
To take me away
To take me away

And I'll turn my eyes wide open
To see you again
To see you again
Ohh ohh oohh oohhh

We'll get dressed up just to stay at home
Then we'll put out the fire just to make us cold
To make us cold
Yeah it's so cold

And we get dressed up just to be alone,

But I need you to know that this ain't the truth
Cause you're not alone
You're not alone
So turn your eyes into an ocean
To take me away
And I'll turn my eyes wide open to see you again
To see you again
Ohh ohh oohh oohhh

Cause I'll be with you tonight
And I'll love you tonight
Cause I'll be with you tonight
And I'll love you tonight
Love you tonight
Cause I'll be with you tonight
And I'll love you tonight
Cause I'll be with you tonight
Tonight
And I'll love you tonight

Love you tonight
