I cannot pretend
That this is okay
Cause I've treated you bad
And I need you to stay
You're stealing my dreams
You're stealing the day
Now I'm lost in the storm
I'm lost in the storm
I'm lost in the storm

I'm so far from home
I'm so far from home
And I'll be buried alone
And I'll be buried alone
Cause I need you to know
Cause I need you to know
That you were a part of me
I'll throw my heart out
Tonight.

I'll throw my heart out
I'll throw my heart out

I'll throw my heart out
I'll throw my heart out

I'm so far from home
I'm so far from home
And I'll be buried alone
And I'll be buried alone
Cause I need you to know
Cause I need you to know
That you were a part of me
I'll throw my heart out

Yeah I'm so far from home
So far from home
So far from home

That you were a part of me
Throw my heart out
I'll throw my hear out tonight
