I'll sit aside to see the sun
That's covered in the storm
And I'll pull away from everything
I've ever known

So hold on, Hold on
So hold on, hold on

I'll sit aside to see the sun
That's covered in the storm
And I'll pull away from everything
I've ever known

So hold on, Hold on
So hold on, hold on

And I left her behind to find my self
And I left her behind Some pieces that I'll never find
Cause I'll be safe tonight, with the devil on my side
Cause I'll be safe tonight, with the devil on my side
On my side

I'll sit aside to see the sun
That's covered in the storm

And I'll pull away from everything
I've ever known

So hold on, Hold on
So hold on, hold on

And I left her behind to find my self
And I left her behind Some pieces that I'll never find
Cause I'll be safe tonight, with the devil on my side
Cause I'll be safe tonight, with the devil on my side
On my side

Cause I'll be safe tonight, with the devil on my side
Cause I'll be safe tonight, with the devil on my side
Cause I'll be safe tonight,
Safe tonight
With the devil on my side

With the devil on my side
On my side
