I'm not sure where I stand
I'm so lost here
Misguided need you hand
I feel the pressure
As days go by without you there
A broken home left in despair
Left in despair

So I'll take this chance now
Cause I've got nothing left to lose
And I need you by my side
I need you by my side
I'll take this chance now
Cause I've got nothing to prove
Cause I've got nothing to prove

You're not alone
You're not alone
Cause I'm almost home
I'm almost home

I'm not sure who I am
I'm so lost here
Heavy heart I cannot mend
I've always known you

And days go by without you here
And days go by without you here

So I'll take this chance now
Cause I've got nothing left to lose
And I need you by my side
I need you by my side
I'll take this chance now
Cause I've got nothing to prove
Cause I've got nothing to prove

You're not alone
You're not alone
Cause I'm almost home
I'm almost home

You're not alone
You're not alone
Cause I'm almost home
I'm almost home
Cause I'm almost home
I'm almost home
