I close my eyes and
I see our flame burning so bright
I forgot the feeling
Awoken by your spirit
That is streaming through my mind
Salvation of my
Soul, I am
Fading away all alone
Our flame is converting
Into hellfire
A slugging cry inside
Is paralyzing me
Infinity is growing 4cause I am
Torn, pain is floating me
Away
Realizing so late that
You can make my life complete
My life complete
You rule my dreams so
At least I can see your face
Half of the day

Although it is not for real
It helps me to go on
Salvation of my
Soul,
Unbroken hope is all what remains
4Cause Everything4s not lost
I am bearing too much drive
Inside to make it end
You are salvation of my soul
Infinity is growing 4cause I am
Torn, pain is floating me
Away
Realizing so late that
You can make my life complete
My life complete
