The eagle spreads his wings  
Above the white and red  
Eyes focus up now  
You're strained and concentrated

Your heart is pounding  
Hard in your chest  
You've come a long way  
To compete with the best

Just hold your horses  
You'll cross this line after all  
And unleash your forces  
Just wait for the flag to fall

Go! We're here for more than trying  
Go! We feel like the eagle flying  
In the end we'll be standing tall  
It's time to give it all  
It's time to give it all

And now you're out of breath  
And you wipe off your sweat  
But stay adrenalized  
You have not finished yet

Together we can do  
What no one did before  
Together we lose  
But rather we score

Just hold your horses  
You'll cross this line after all  
And unleash your forces  
Just wait for the flag to fall

Go! We're here for more than trying  
Go! We feel like the eagle flying  
In the end we'll be standing tall  
It's time to give it all  
It's time to give it all  
It's time to give it all

Your bones all ache  
You got dirt in your eyes  
Against all odds  
Again you arise

Go! We're here for more than trying  
Go! We feel like the eagle flying  
In the end we'll be standing tall  
It's time to give it all  
It's time to give it all  
It's time to give it all
