Got an army full of friends  
God, I know it makes no sense

Everybody in the zone  
We love you to the bone  
Got the army on the phone  
Soldier you're never alone

Calling a friend  
Calling a friend in London  
Calling a friend  
You got a friend in London

Follow me into the woods  
We got your back, we got it good

Everybody in the zone  
We love you to the bone  
Got the army on the phone  
Soldier you're never alone

Calling a friend  
Calling a friend in London  
Calling a friend  
You got a friend in London

Follow me, Follow me  
Follow me, we all need someone  
Follow me, I follow you  
Follow me - a friend in London

Got an army full of friends  
God, I know it makes no sense

Everybody in the zone  
We love you to the bone  
Got the army on the phone  
Soldier you're never alone

Follow me, Follow me  
Follow me, we all need someone  
Follow me, I follow you

Follow me - a friend in London

Calling a friend

Calling a friend in London

Calling a friend

You got a friend in London

Follow me, Follow me

Follow me, we all need someone

Follow me, I follow you

Follow me - a friend in London
