Oho oho, oho oho, oho oho  
Get rich in Vegas  
Oho oho, oho oho, oho oho

A world of wonder,  
Outside your door,  
Waiting there for you,  
It's a notion you can dive in to  
Break the fences that hold you back,  
Keep staring at the wall this could be your wake up call

And try and close your eyes today,  
I'll Carry you away

Let's go see new Mexico  
Surf through streets of Tokyo  
Ride the waves from coast to coast  
(Get rich in Vegas)  
Get lost in Australia  
Find true love in Arabia  
Sail out to the moon and back  
(Get rich in Vegas)

So now we know,  
How easy it can be  
To turn around the scenery  
So let's sing along to stupid clique songs  
And get hold of friends we never known  
And it's only just begun  
Shout it out to everyone

And try and close your eyes today,  
I'll Carry you away, carry you away

Let's go see new Mexico  
Surf through streets of Tokyo  
Ride the waves from coast to coast  
(Get rich in Vegas)  
Get lost in Australia  
Find true love in Arabia  
Sail out to the moon and back  
(Get rich in Vegas)

Oho oho, oho oho, oho Ohio

Let's go see new Mexico  
Surf through streets Tokyo  
Ride the waves from coast to coast  
Get lost in Australia  
Find true love in Arabia  
Sail out to the moon and back  
(Get rich in Vegas)

Let's go  
(Oho oho)  
Surf through  
(Oho oho)  
Ride the  
(Oho oho)  
(Get rich in Vegas)  
Get lost  
(Oho oho)  
Find love (yeah)  
(Oho oho)  
Sail out  
(Oho oho)
