Come on, boys, come on, girls
In this crazy, crazy world
You're the diamonds, you're the pearls
Let's make a new tomorrow today

Wake up, slow down, do nothing right now
Breathe in, breathe out, did we forget how
To live, to dream and what it all means
It's like we don't care

Who's hot, who's not, who's got the right upside down
Tonight, tomorrow, you're out of time
Upstyle, you're back in the line
A race to nowhere

Chorus

Come on, boys, come on, girls
In this crazy, crazy world
You're the diamonds, you're the pearls
Let's make a new tomorrow

Come on, girls, come on, boys
It's your future, it's your choice
And your weapon is your voice
Let's make a new tomorrow today

Turn left, turn right, don't make up your mind
Your way to fame is all in vain
You get in the spot then you run out of luck
You're going nowhere

We can change it all today!

Chorus

Come on, boys
Let's make a new tomorrow

Chorus
