So here, you're wasting your time  
You're one to never come back  
Can we start from the top  
And fix our eyes up above?

Word to the wise, I think we're all behind  
On making this all better

You'd want it all night, was it a part of it?  
Can you feel, (can you feel) the way I feel tonight?  
My eyes shut closed, but I'm trying, yes, I'm trying (x2)

Oh girl, I can feel the way  
Everything could stop tonight  
There's less control, there's heavy breathing  
You say you set your eyes for high

'Cause I've got the words that you want  
Oh girl, does that sound oh so... good?

You'd want it all night, was it a part of it?  
Can you feel, (can you feel) the way I feel tonight?  
My eyes shut closed, but I'm trying, yes, I'm trying (x2)

I can't go on without wasting time  
Steady eyes and rusted arms  
Steady, steady  
And I can't go on, I can say that you were the one

You'd want it all night, was it a part of it?  
Can you feel, (can you feel) the way I feel tonight?  
My eyes shut closed, but I'm trying, yes, I'm trying (x2)

I'm trying...
