If you don't mind now, I think I must say.
"I don't find that to be so easy"
And all the words you said were low,
They all seem like they were right.

Several tries and I still don't know yet.
It's 10 to 1 that I've lost this bet
There's not much that I can do,
Still the same with nothing to prove.

Sign off your words, right there from the ground.
As I watch, you signal me come down.
For they write it all, we'll read it all.
So dance with me, dance with me
Lets run.
(Lets run.)
Lets run.

I hope you know you're getting more than I figured I
could give.
Well if it set in stone, that I can't afford to let this one
go.

Sign off your words, right there from the ground.
As I watch, you signal me come down.
For they write it all, we'll read it all.
So dance with me, dance with me
Lets run.
(Lets run.)
Lets run.
(Lets run.)

Well I told the world to take it's time,
There's nothing more to living life.
So let it go, let it go, and realize.
(I want you to hit me, as hard as you can...)
This is the time when we were living life.

Well I don't think that I can do this again
(If you don't mind, I think I'll say...)
Sign off your words, right there from the ground.
As I watch, you signal me come down.

For they write it all, we'll read it all.
So dance with me, dance with me
Lets run.
(Lets run.)
Lets run.
(Lets run.)
