Distant laughter in the darkness
Demons dancing in the forest
Unleashing death and destruction
Spew forth disease

Evil messengers of God do thy masters bidding
And inflict his divine wrath upon all mankind

The curse of Shedim

Distant laughter in the darkness
Demons dancing in the forest
Unleashing death and destruction
Spew forth disease

The blood of the sacrifice will be sprinkled on the floor
Used to ward off the destroyer, king of terror

Evil messengers of God do thy masters bidding
And inflict his divine wrath upon all mankind

The curse of Shedim

The Shedim, storm demon, master of destruction
Now wasteth, the masses, in the name of your king
The Shedim, storm demon, master of destruction
Now you shall obey your final command

The destroying angel of pestilence
Emerges from the netherworld
A malevolent agent of the Lord
To kill at will
