Shroud of darkness
Staring into the unknown
Shroud of darkness
Envelops m soul

Perpetual uncertainty
Caused by addictive isolation
There is little hope in sight
As the demon corrupts my mind

Insanity masking normalcy
Peace of mind has been lost
As I stare into the silence
Waiting for this life to cease

A shroud of darkness has fallen on me
A blanket of evil to cover my soul

Always feeling like the hunted
Paranoia is becoming a constant way of life

I am covered by a shroud of darkness
As this affliction succumbs to addiction
Far too lost to see what is real
Locked into my gloomy asylum of pain
I must fight this demon within
Take back what was once my life
Save myself from eternal damnation
And put this monster to rest

Thoughts race around my brain
Will I ever change my ways?
Rotting from deep within
Can I ever change my ways?

This evil pressure lives in me
Will I ever change my ways?
A foul soul trapped in my body
Can I ever change my ways?

I am covered by a shroud of darkness
A blanket of evil that covers my soul
