

A Home. A Heart. Whatever. "Your Love"

Visit "[Your Love](#)" on [MotoLyrics.com](https://www.motolyrics.com)

It's all been sung about blue times
Follow the signs to a place where you belong
Maybe sometimes there's a face makes you feel at
home

Love is grey
This kiss will fade
A miss is a loss is a hole in a heart
Cease your day
With a kiss that will fade
With a kiss that will fade in a hole in your heart

It's all been sung about blue times
Follow the signs to a place

Love is

Love is grey
This kiss will fade
A miss is a loss is a hole in a heart
Cease your day
With a kiss that will fade
With a kiss that will fade in a hole in your heart

We are wired
Uninspired
We are the lovers of concrete and stone
But we're tired
Uninspired
We are the lovers of concrete and stone

Love is
