If I were rain  
You could watch the colours bleed  
If I were time  
We could go to where we're happy  
If I were tease  
Every evening we'd die laughing

I am love  
I am love  
Love is not not good enough (love is...)  
Love is not not good enough (love is...)  
Love is not not good enough (love is...)  
Love never is

If I were words  
I would turn a phrase of you  
If I were star  
The sky-like eye would open  
If I were the sea  
A wave from you might drown me

I am love  
I am love

Love is not not good enough (love is...)  
Love is not not good enough (love is...)  
Love is not not good enough (love is...)  
Love never is

Love, love is everywhere  
Every day  
Every way  
She's got a mind of her own  
Love is bigger than me  
Bigger than you so  
Just let in in and stop thinking to yourself that

I am love  
I am love  
Love is not not good enough (love is...)  
Love is not not good enough (love is...)  
Love is not not good enough (love is...)

Love never is
