

## **A Loathing Requiem "Rapturous Euphoria"**

I scorn all virgin and tattered flesh  
Disgusting victims of their own lies  
I have belayed my deepest affection  
With utmost vengeance I seek the end of  
Breath giving life

Overwhelmed with no self control  
I hunt and wait to strike

In my domain I dwell, I am master  
Misplaced in hell for the sake of reaching heaven  
Savoring this state of nostalgia  
Which cannot  
Will not  
Does not exist

Cold flesh  
Pale elegant and emaciated  
Never adequate for life

Lust of your death  
Enthralled by the taste of hypnotic tragedy  
Here I dream lucid of the quietus of you  
And all that you hold dear

[Solo]

Cleansed of my conscience  
While spilling the blood within you  
Anxiously awaiting the rapturous euphoria  
I shall endure

There will never be forgiveness within my dominion  
Misplaced in hell for the sake of reaching heaven  
Savoring this state of nostalgia  
Which cannot  
Will not  
Does not exist

Lust of your death  
Enthralled by the taste of hypnotic tragedy  
Here I dream lucid of the quietus of you

And all that you hold so dear

Cleansed of my conscience  
While spilling the blood within you  
Anxiously awaiting the rapturous euphoria  
I shall endure
