Now my life becomes the night
I have no need to fight
when I close my eyes so tight
that I can see the light

the time has come for me
there's nothing left to see
not for me

my heart is dying,
I'm crucifying my final sheds of faith
my wings are taking me to skies
but please don't throw the faith away

now the blade is on my skin
the blade so bright and thin
my blood runs right through my veins
no longer feeling the pain

the time has come for me
there's nothing left to see
not for me
my heart is dying,
I'm crucifying my final sheds of faith
my wings are taking me to skies
but please don't throw the faith away

the time has come for me
there's nothing left to see
not for me

my heart is dying,
I'm crucifying my final sheds of faith
my wings are taking me to skies
but please don't throw the faith away
my heart is dying,
I'm crucifying my final sheds of faith
my wings are taking me to skies
but please don't throw the faith away

don't throw the faith away
