I put myself under pressure
Time after Time
I put myself under pressure
Time after Time

On the outside I seem fine
But on the inside

Oh I am hurting, Oh I am hurting
Oh I am hurting, Oh I am hurting

But I'm enjoying the pain
But I'm enjoying the pain
But I'm enjoying the pain
But I'm enjoying the pain

I put myself under pressure
Time after time
When the self automation has lost control
And I'm left to face myself upon my own

On the outside I seem fine

But on the inside I am burning
On the outside I seem fine
But on the inside I am hurting

Oh I am hurting, Oh I am hurting
Oh I am hurting, Oh I am hurting
But I'm enjoying the pain
But I'm enjoying the pain
But I'm enjoying the pain
But I'm enjoying the pain

Cause I am hurting, Cause I am hurting
Cause I am hurting, Cause I am hurting
But I'm enjoying the pain
But I'm enjoying the pain
But I'm enjoying the pain
But I'm enjoying the pain
