### Verse 1

Hear it on the radio, A riot has come to town  
I just want to runaway, somewhere safe and far away  
The music keeps on warning me, But I cant seem to  
find a way  
I just want to runaway, to a place, to a Destination.

### Chours

Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
GO!

### Verse 2

People in the streets they flee, Running from their own  
beliefs  
The sky keeps on falling down, to my feet and threw  
the ground  
The music keeps on warning me, But I cant seem to  
find a way  
I just want to runaway, to a place, to a Destination.

### Chours

Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
GO!

### Bridge

To a Destination, To a Destination

Chours  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
GO!

I said  
GO!

I said  
Go, Runaway, To a Destination  
I said  
Go, Runaway, To a Destination  
I said  
GO!
