Yeah You  
Know everything thats in mind  
And everything thats in my heart  
I need to escape this imprisonment of mine  
I need to escape from you

woah, woah, woah, woah

No you  
Cant take anything of mine  
Just pack up, Leave, Get out of here  
These 4 walls seems to talk back to me  
I need to escape from this

woah  
Imprisonment of mine  
woah  
This is my mental hell  
woah  
These four walls seem to talk back to me  
woah  
Its killing me,  
How can i fall  
How can i move  
When i know you'll always be there  
How can i breathe  
How can i see  
When you are my oxygen and my sight in my life  
My sight in my life,

You have me broken,  
And falling and trying to be free  
I know what you've started its slowly,  
Starting to kill me

How can i fall  
How can i move  
When i know you'll always be there  
How can i breathe  
How can i see  
When you are my oxygen x2
