The time of suffering has come to pass...
And wrath will fall upon the court of Mizraim...
The plagues of hell shall consume their faith...
And the blood of kings shall poison the righteous...

Asmoday... Asmoday... Asmoday... Asmoday...

36 and 36 legions of the damned...
Enslave the hollow souls of a godless land...
Those who walk the path of light await decapitation...
Upon his beastly throne, the lord of revelation...

Asmoday... Asmoday... Asmoday... Asmoday...
