

A Transylvanian Funeral "Circle Of Disease"

Visit "[Circle Of Disease](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Encircled by liars...
Disease of the spirit...
Father, deceiver...
Hollowed by fire...
Plague of my soul...
Down in the mire...
Try to scream...
Unholy desire...
Forged and hardened...
Encircled by liars...
Detestable tribe...
In the shadow of the fire...

Circle of disease...
Draped in misery...
The weak on their knees...
Circle of disease...

The time has come...
Breaking of the chains...
Slavery is done...
Freedom of our souls...
Crushing of their heads...
Held down by none...
Ending of the lies...
Cruel and obedient...
Look into my eyes...
Heartless deceiver...
Burned by the fire...
Story is done...

Circle of disease...
Draped in misery...
The weak on their knees...
Circle of disease...
