Oh my god! -> busta rhymes (16x)

[phife dawg]

There's a million mcs that claim they want some
But see, I create sounds that make your ears go numb
Peace to sayers ave., yeah you know how we go
My best friend steven at the home depot
Lowerton is in the house, I can't forget southside
Walk past mcs like that girl did the pharcyde
Im labeled as the cats meow, the mc with the know-how
Act like you know, not now, but right now
Beast of the east, on mcs I have a feast
Id eat that ass like quiche, crack a smile like shanice
Straight out jamaica scene, jamaica, queens
But you could find me out in georgia, or anywhere in
between
Now if my partners don't look good, malik wont look
good
If malik don't look good, the quest wont look good
If the quest don't look good, then queens wont look
good
But since the sounds are universal, new york wont look
good
Picture phife losin a battle, come on, get off it
Put down the microphone son, surrender forfeit
Did I hear somethin bout a crew? what they wanna do?
You better call mr. babyface, so he can bring out _the
cool in you_
Or it'll be a sad love song being sung by toni braxton
And I'll dissect you like a fraction
Oh, you wannabe top cat mcs, I'll pop you like a zit
You wanna be the champ, you more like chief some-
shit
Big up myself everytime when it comes to this
Mcs be runnin scared as if they're watchin the exorcist
I kick more game than a crackhead from hempstead
My styles are milk, man, you'd think that I was breast
fed
You know the steelo when the diggy dawg is on the
scene
I dedicate this to all the mcs outta queens

That goes for onyx, ll, run-d.m.c.
Akinyele, nasty nas and the extra p
You need a chart, straight up and down man, there aint
no other
Nuff respect to all my peeps that made the album
cover
Yo, tip don't worry dunn you know I get the party jumpin
Get on the mic and break em off a lil lil sumthin
Yo, tip don't worry dunn you know I get the party jumpin
Get on the mic and break em off a lil lil sumthin
(ooohh...)

We got the funk doody don shit, clearly it's the bomb
shit
So recognize me, kids memorize me
Everyday, I be scroungin, really, I be loungin
I play the down low, very very incognito
Aries is my sign, I know that I can rhyme
Sometimes I rhyme in riddles, plus I make the hunnies
wiggle
Intellect is the major, some heads like to wager
The skills on the hill, overlookin dollar bills
Man, ya crazy, thinkin you can phase me
The ab doesnt't't't study near nonsense money
Life seems to meet me, mcs seem too cheesy
With they doody ass renditions of defeatin competition
I rock to the roll man, yes, Im a soul man
Betcha bottom dolla, vinia will make ya holla
As ya stand at attention, did I forget to mention
Mcs will give me twenty, if I sense that they act funny
Lyrics are abundant, right there, I sound redundant
Just mentionin the fact, that the area is fat
I dwell in the unda, so hunny, it's no wonder
That I get plenty of tail, well I even get white
Ima bet hittin head crack, there money, take that
Breakin niggaz off, cut their bank, then Im off
While my nikes match my lil hat, beat joint is mad fat
Got the cutter of the box if a kid thinks he's ox
For tier means creator, the poetry relator

Its hemp, like betsy ross, let me tell you whos the boss
