(girls talking on phone)

Q-tip:

It was friday afternoon in the middle of june
Heineken bottle caps and the aroma of boom
Around the time everybody had just got home from
class
Shootin dice, talkin shit, hopin the cash would last
Yo, this was around the time when I didn't know no
better
Juney moved around in a tinted out jetta

Phife:

Then he introduced me to that hydro smoke
Then I took one toke, yo, I almost choked
See I never smoked before and my nerves got shot
Then he told me about the party at the spot jam rock
It was guaranteed on but I said son, chill
There's a joint around the way that's supposed to be
real
Word

Q-tip:

He said we got no js, so we gonna do it right
Hit your mans joint first, then jam rock at one night
Then I said aight, then I jumped inside the jetty
Let me take a shower, Im sweaty, and then I'll be ready
Tonight is the night I get my groove on steady
And get my drink on with that ford named betty
I went upstairs to get fly, broke my tie
On some liquor, to meet my high quicker
Now, Im tight, them know, the party is the m.o.
Me and my crew, we get it started like a demo
Eleven in the evenin, Im feelin like a heathen
This thing is goin down and I highly doubt Im leavin
Booty cheeks start to motion and the kids is drinkin
potion
Word is bond, that black moon joint got me open
(don't front)

Consequence:

A yo, the dj put this short groove on
The good shit that makes a kid lose his drink
Blendin risin to the top and got these shorties hoppin
Nuthin but coppin, aint no stoppin me now
Yo, Im bound to win until that thing kicked in
The alazay had me drunk, I don't know where to
begin(echoed)

Phife:

Not Im feelin kinda jaded, wildly coherent
Me and the fellas acted very irreverent
Butt grabbin, mad laughin and assin

Consequence:

When that chick caught up, the shorty lookin fed up
They say you drug one with this one, gibbin with that
one

Q-tip:

A yo, Im just doin my thing, yo Im just havin fun
You don't see me in here wylin pullin out no gun
Yo, I see some of that thing girl and I want some
So lets step inside this corner so that we can rap on
Over this bumpin ass song and some dom perignon

Phife;

I hit ya with the good lovin plus fillet mignon
(yeah, yeah scrammy scrams, yo, that's that same old
song)
(a yo, tell me why the hell your breath smells so strong)

Consequence;

Yo, put some brakes on your yappin or you wont live
long
(please nigga, push on)
Alright scrams, see you later (scrams)
Cant mess with these street sharks or these alligators

Phife:

I can't take it no more, yo it's damn near four
Ive been partyin and drinkin since I came out my door

Q-tip (consequence)

Look at these kids about to mix it, damn, wheres the
exit?
(son, jetted to the ride and got the burner out the
lexus)
Yo, he cocked his joint back like he's about to let him
have it
(kid, I kept it movin like the energizer rabbit)
A yo yo, it's time to skate, aint no time to contemplate

(all: whoops, looka there, there's jake)
