

A Transylvanian Funeral "Ways Of The Magi"

Spheres of existence...
Known only to us...
Moving in the spaces between the stars...
Soulless one...
Roots in the arcane...
Lucid dreams...
To us, are reality...

Paths untrodden...
Ways of the Magi...
Unbound by this earthly flesh...

The force of the ancient ones...
Move in ways unseen...
Towards oblivion...
Of human life...
To raise the glorious...
Legions of hell...
Reaching for the end...
I feel the pull from beyond...

Paths untrodden...
Ways of the Magi...
Unbound by this earthly flesh...
