Intro

Yeah, I got my super soaker man. What I mean by super soaker is I mean, I got so much money my hand full of hundred dollar bills. So I'm throw it out you feel me. Wow fam o.k you got your super soaker, ten-four. Guess what tho I'm just saying like I wet the whole crowd forehead like totally like surf board action, but any ways tho we gone get to this money just like this right here. If you got it like this throw it out, throw it out!

Chorus

I got a super soaker full of hundred dollar bills
I make it rain on your forehead, yeah I get it in for real
They be like gwop gwop throw that, throw that gwop
We getting money in the ville
Gwop gwop throw that, throw that gwop
We get money in the ville.

First Verse Deesky

Self rise up, I do my own thing. don't my rocks on my wrist cost a grown mane.
Sixes on a track that's road rage, A.M.N shorty goy my own game.
Love my life, Love my, misses, get this gwop, stack these digits,
Like I grow racks, I throw stacks, major weight at the club get ya pool pass.

Chorus

I got a super soaker full of hundred dollar bills
I make it rain on your forehead, yeah I get it in for real
They be like gwop gwop throw that, throw that gwop
We getting money in the ville
Gwop gwop throw that, throw that gwop
We get money in the ville.

Second Verse E. Wow

Gwopes insane yeah I make it rain,
Twenty dollar benze or better you can keep the change.
A lot of people think I'm dreaded when I make it swang
E. Money what there hollen when they scream my name.
I guess they like the way a ya girl get more bread or

Could it be the way I put it on there fore head.
Yeah I'm from the south, so you can call me dirty or
You can mix me wit P. Diddy and call me Dirty Money.

Bridge

Yeah, I got my super soaker man. What I mean by
super soaker is I mean, I got so much money my hand
full of hundred dollar bills. So I'm throw it out you feel
me. Wow fam Yep!

Third Verse Beezy

It's Beezy A.K.A Yellow Stone wet up ya face, wet up the
track, don't make me pull my super soaker
Better bring my money back. I spend a little, throw a
little, man it's jus a couple racks.
Mr. What Your Looking For and you ant got to tell me
that. I'm make it rain on'em where is your umbrella at,
I think they hypervenuelating better bring the
ambulance it's A.M.N the click the super soaker is the
dance
And I ant got to tell ya what I got up in my hand.

Chorus

I got a super soaker full of hundred dollar bills
I make it rain on your forehead, yeah I get it in for real
They be like gwop gwop throw that, throw that gwop
We getting money in the ville
Gwop gwop throw that, throw that gwop
We get money in the ville.
