Well hand me down that can o'beans
Hand me down that can o'beans
Hand me down that can o'beans
I'm throwing it away

Out the winder go the beans
Out the winder go the beans
Out the winder go the beans
I had a lucky day

Mary, my Mary, my sweet young Mary
We're going out this evening
Mary, my Mary
I'm gonna take you out tonight

So hand me down that can o'beans
Hand me down that can o'beans
Hand me down that can o'beans
I'm throwing it away

Out the winder go the beans
Out the winder go the beans
Out the winder go the beans
Go the beans, go the beans
Good times are here to stay

Hand me down my can o'beans
Hand me down my can o'beans
Hand me down my can o'beans
I'm throwing it away

Out the winder go the beans
Out the winder go the beans
Out the winder go the beans
I had a lucky day

Mary, M-M-M-Mary, my cute young Mary
We're goin' out this evening
Mary, M-M-M-Mary
I'm gonna take you out tonight

So, hand me down that can o'beans

Hand me down that can o'beans
Hand me down that can o'beans
I'm throwing it away

Out the winder go the beans
Out the winder go the beans
Out the winder go the beans
Go the beans, go the beans
Good times are here to stay, yeah

Hand me down that can o'beans
Hand me down that can o'beans
Hand me down that can o'beans
I'm throwing it away

Out the winder go the beans
Out the winder go the beans
Out the winder go the beans
I had a lucky day

Mary, M-M-M-Mary, my sweet young Mary
We're goin' out this evening
Mary, M-M-M-Mary
I'm gonna take you out tonight

So, hand me down that can o'beans
Hand me down that can o'beans
Hand me down that can o'beans
I'm throwing it away

Out the winder go the beans
Out the winder go the beans
Out the winder go the beans
Go the beans, go the beans
Good times are here to stay
