I can't remember anything at all  
I've been turning it all around  
I'm sorry, oh so sorry  
Is this what I have become?

Wish I may, wish I might  
Be someone else tonight  
Sometimes I wish I was never born at all  
And I'll try to save the world  
Cause in the end I know  
I'm the chosen one  
I'm the chosen one

I can't remember what I used to be  
Something's turning me upside down  
You made me  
And I love you  
But I can't change the things I've done  
I'm the chosen one

Wish I may, wish I might  
Be someone else tonight  
Sometimes I wish I was never born at all  
And I'll try to save the world  
Cause in the end I know  
I'm the chosen one  
I'm the chosen one

Wish I may, wish I might  
Be someone else tonight  
Sometimes I wish I was never born at all  
And I'll try to save the world  
Cause in the end I know  
I'm the chosen one  
I'm the chosen one

The chosen one  
The chosen one  
I'm the chosen one
