your booty, your body
it hits like karate
the kung-fu, the come thru,
jiu-jitsu, i need you
i'm never too clever
just holler, whenever
and i'll hear you, ya got me
lets kick it, karate

long, long legs and a short, short skirt
she won't take 'em off, she's a tease, a flirt
nice, full lips and an ass like what?
she said "i'm a fish tank, fill me up"

when it's on girl, it's on
i got everything you need
is it right, is it wrong
can i be your fantasy?

your booty, your body
it hits like karate
the kung-fu, the come thru,
jiu-jitsu, i need you
i'm never too clever
just holler, whenever
and i'll hear you, ya got me
lets kick it, karate

ya gotta lock and load, in fact, double-down
cover her mouth she don't make a sound
(shhhhh)
feel my style i'm rock n' roll
make her an offer and she can't say no

when it's on girl, it's on
i got everything you need
is it right, is it wrong
can i be your fantasy?

your booty, your body
it hits like karate
the kung-fu, the come thru,

jiu-jitsu, i need you
i'm never too clever
just holler, whenever
and i'll hear you, ya got me
lets kick it, karate
