Song By MOHD RAFI, TALAT MEHMOOD

kaisi haseen aaj bahaaron ki raat hai  
ek chaand aasmaan pe hai ek mere saath

o dene waale toone to koi kamee na kee  
ab kissko kya mila yeh muqaddar ki baat hai

chhaaya hai husn-o-ishq pe ek rang-e-bekhudi (2)  
aate hai zindagi mein yeh aalam kabhi kabhi  
har ghum ko bhool jaao khushi ki baaraat hai  
ek chaand aasmaan pe hai ek mere saath

aayi hai woh bahaar ke naghme ubal pade  
aisi khushi mili hai ke aansoo nikal pade  
hothon pe hai duwaayeh magar dil pe haath hai  
ab kissko kya mila yeh muqaddar ki baat hai

masti simat ke pyaar ke gulshan mein aa gayi (2)

meri khushi bhi aap ke daaman mein aa gayi  
bhavra kali se door nahin saath saath hai  
ab kissko kya mila yeh muqaddar ki baat hai

kaisi haseen aaj bahaaron ki raat hai  
ek chaand aasmaan pe hai ek mere saath
