Verse 1

Put your hands down by your side
Stop screaming at me and listen to what I'm saying
Put your hands down by your side
I can tell from your voice that you are not playing

Chorus

Because tonight, we're gonna fight
Push and pull each other till it's right
But what is right? What is right?
Just put your hands down by your side.

Verse 2

I've never seen you cry
Don't push me away when I try to hold you
Sorry I made you cry
Without saying a word you tell me that it's over

Chorus

Because tonight, we're gonna fight
Push and pull each other till it's right
But what is right? What is right?
Just put your hands down by your side.

Instrumental

Verse 3

You say your hands are tied
What in the world am I gonna do now?
Didn't take long to decide
Without saying a word you tell me that it's over

Chorus

Because tonight, we're gonna fight
Push and pull each other till it's right
But what is right? What is right?
I put my hands down by my side...
