Verse 1:

Tried to escape
But your loves so captivating
Tried to decline
But I'm enticed by the look in your eyes
I wish I could walk away
But I can't live a day
Without seeing your face
Eventhough I try to hide
I'm falling
And it's overwhelming me

Hook:

If I were to give into you
Then I would be
Letting love, Take over me
If I were to give into you
Then I would be
Letting love, Take over me
If I were to give into you
Then I would be
Letting love, Take over me
If I were to give into you
Then I would be
Letting love take over me

Verse 2:

Why must this love
Be so complicated
I tell myself no
But my heart tells me yes
I try to do what's best
But I can't resist
It seems that I'm
Head over heels
Is it real, is it real
What I feel

repeat hook

Bridge: Rasheeda

You can't deny, that I'm so fly (oh)

Come on' boy give this ass a try
I know you like-
I keep my goodies hidden deep inside
You a balla, then lets ride
I stays down
You can't walk away
Can't escape my love
I'm on your mind way too much
Let it take over you
And lose all of your control

Aaron:
I lose all my control baby
And it's taking over me
Taken over me
I'm going crazy for you

repeat hook 3 times
