I look at you and I remember  
The way I felt on the day we met  
That same feeling washes over me, it's hard to forget  
Nothin has ever changed to maybe  
Nothin changes for you  
I still want you just as much as I did  
When I said I do

CHORUS:

Im still wrapped up in that ring around your finger  
Without you baby I would be lost  
Im tellin you the truth  
Im still in love with you as I always was

Im a slave to your every desire  
I worship the ground where you walk  
Im tellin you the truth  
Im still as much in love with you as I always was

You stir up that old desire  
I can feel it now as we speak  
Nothin I ever felt before prepared me for a love this  
deep  
Yeah Im still crazy you baby  
In my heart and in my soul(heart and soul)  
Im still mezmorized by two brown eyes and a band of  
gold

Repeat Chorus

Oh im tellin you the truth  
Im still in love with you as I always was
