Once I told you a story about Paul
Who was in love with a container
Now he?s even older,life left him lonely
Looking for a new way to survive
An evil owner of a private club
Offered him a job?
Our heroe is now on standby
For a weekly date at this private club
The owner arranges?
(well-I tell you later?)

Love on sale
From the beauty
For the damned
Days of shame
Where they ever there?
(price for shame-was it ever so cheap)

The owner arranges
For some ?mr. abundance?
(decadent,too rich and bored
Male members of our society)
A private show:
2 girls of beauty,around 16,
Make love with Paul (or try do)
While the ?misters of perks?
(Paul?s show with the two little girls-is a ?business-
present?)
Put a seal to their deal
By watching this
Show of disgrace?

Love on sale?
From the beauty
For the damned
Days of shame
Where they ever there?
(price for shame-was it ever so cheap)

Paul is on sale
For a 50 marks-note

But the actor's shame
Is still the same

Love on sale
From the beauty
For the damned
Days of shame
Where they ever there?
