They've got a power and a force that you've never seen
before

They've got the ability to morph and to even up the
score

No one will ever take them down
The power lies on their side

Go, go, Power Rangers
Go, go, Power Rangers
Go, go, Power Rangers
You, Mighty Morphin' Power Rangers

They know the fate of the world is lying in their hands
They know to only use their weapons for defense
No one will ever take them down
The power lies on their side

Go, go, Power Rangers

Go, go, Power Rangers
Go, go, Power Rangers
You, Mighty Morphin' Power Rangers

No one will ever take them down
The power lies on their side

Go, go, Power Rangers
Go, go, Power Rangers
Go, go, Power Rangers
You, Mighty Morphin' Power Rangers

Go, go, Power Rangers
Go, go, Power Rangers
Go, go, Power Rangers
Go, go, Power Rangers
Go, go, Power Rangers
Go, go, Power Rangers
Go, go, Power Rangers
