Through the shadows  
Beyond the light  
I rise my sword  
Ravens guides  
The hunting has start  
Fucking jerusalem  
I curst jehovah  
Plague to his race  
Slowly death and pain  
Raped corpse  
Jehovah  
I denied you  
Burn talmud  
Burn the bible  
Sabbath I fuck your god  
I denied you  
You make the world in seven days  
I will destroy it in one  
Shit in your grave  
Fire in your followers dead corpses  
Sperm and shit in your bible  
Son of a pig  
I denied you jesus  
I will destroy you
