Well I've given her silver and I've given her gold
Given her everything that I ever owned
But she's so hard to get
Yeah she's so hard to get

Yeah I gave her my money and I gave her my time
Gave her my wallet, my whole bank account

Now tell me honey, what else can I do?
I want you baby, get closer to you

I know, I got the Masterplan
Gonna pull down my pants and show her I'm a man
I know, I got the Masterplan
Gonna pull down my pants and show her I'm a man

Ah, I'm a Man... !

Well I could give away my grandma, cut off my arms
Pull out my eyeballs wouldn't do me no harm
But she's so hard to get
Yeah she's so hard to get

Yeah you could take me for a loser
But I want her so bad
Her lips and ass and legs is drivin' me mad

Now tell me honey, what else can I do?
I want you baby, get closer to you

(Chorus)

BOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM!
