I'm Mr Fast and Iâ´m the greatest in the west
Criminals fear me 'cause they know that Iâ´m the best
When I need money I just take a look around
I find a wanted poster
And Iâ´ll go and hunt him down

My wallet's empty
I can smell you miles away
Dead or alive
Iâ´ll make you mine all mine

Sha-la-la-la
Got your name on my bullet
Sha-la-la-la
There's a price on your head
Sha-la-la-la
Youâ´re my 10 000 dollars
Sha-la-la-la
Quick draw and youâ´re dead

You bloody bastard, youâ´ve committed every crime
Don't need no dollars I can shoot you for a dime
Don't run for cover, there's no use for you to run
I'll always find you and shoot you with my gun

(Bridge)

(Chorus)

Dead, dead Iâ´m gonna fill you with led
Dead, dead Iâ´m gonna fill you with led

(Gunfight)
(Horse)

Fire!

BOOOOOOOOOOOOOOOOOOOOOOOOOOOOM!
