"Perception Of Consummation"

Wrapped in euphorian filth
Away from light and prayers
The truths of symbols
Burns into my flesh
I made this hole
This abyss
Flesh and power
Are one

The Universe crashes and spirals
To be shadowed in darkness

I dream this world away
I've seen my dreams before my covered eyes
I sin to unlock the future
I've killed to honor my words

Oceans of blood drip out of my wound
Only to form into something grotesque

Mortal death consumes my thoughts
As I awaken destiny
Thrusting this iron edge
They beg salvation

Torn by apocalypse
The children deform
Creatures of trust
They die
Torture and pain
Unsurpassed and feared
Finishing all
That has begun

The Universe crashes and spirals
To be shadowed in darkness

I dream this world away
I've seen my dreams before my covered eyes
I sin to unlock the future
I've killed to honor my words
