Pull the shade down over me  
Cuz my sure thing is on the blink  
Overcrowded crossword page

What am I doing?  
Where are you?  
What am I doing?  
Where are you?

Up the river I was sold  
Could I have a second chance?  
Up the river I was sold  
Could I have a second chance?

Bake a brain and drink some wine  
And check the dial tone on my line  
Remote control is in my face

What am I doing?  
Where are you?  
What am I doing?  
Where are you?

Up the river I was sold  
Could I have a second chance?  
Up the river I was sold  
Could I have a second chance?

Reading your letter  
I'm trying hard to read between the lines
