My head is wrong  
My knees are blue  
Pass me the bong  
And I'll get rid of you  
Yeah, I'll get rid of you

And I'm stomping the fuse  
Why did you bail  
I got a gift from you,  
And it hurts like hell  
It hurts like hell!

It's coming soon  
The moment of truth  
The Salt in my wounds  
Makes me miss you  
Salt in my wounds

And I'm stomping the fuse  
Why did you bail  
I got a gift from you,  
And it hurts like hell  
It hurts like hell!

There's a ring in my ears  
Loud and clear  
You gave it the sound, you said "hold on to what is  
dear  
Everyday above ground"

Too close to the drain  
This cannon is loose, yeah  
This world is strange  
When I'm in your shoes, yeah  
I'm in your shoes

And I'm stomping the fuse  
Why did you bail  
I got a gift from you,  
And it hurts like hell  
It hurts like hell!

It hurts like hell!  
It hurts like hell!  
It hurts like hell!
